INVITED

The Good News is that we have all been invited—invited to the Kingdom, invited to be disciples. It’s a life-changing invitation, and like so many other such invitations, it requires a great deal of deliberation and discernment. Whether we choose marriage, ordination, single life, or community life, we know the serious planning and consideration that accompany these profound decisions. Like the tower-builder in the Gospel, we have weighed both the monetary and emotional cost. We have pondered and planned our lives in the direction to which we believe God has called us. And while we pray for guidance and acceptance of God’s will, we often fail to understand so much. Like Solomon, we turn to God for wisdom and counsel in our life-changing decisions.
