**Drop-off and Pick-up Procedure**

It is the Confirmation policy, that students must be dropped-off and picked-up from the Parish by a parent or adult unless other arrangements are made with the Confirmation Coordinator. The Diocese of San Bernardino has made it very clear that for the protection of minors, anyone under 18 years of age , cannot be left unattended on church grounds. However, at this age group, we are aware that many students walk to class, carpool, or drive themselves. Therefore we ask that you sign this form that your child will be allowed to leave the classroom without adult supervision.

-----  
**Mass**

Everyone in the Confirmation Program must attend Mass and turn in weekly Mass Reflection sheets to confirm attendance. This will be done **ONLINE** at [www.stjosephsupland.org/teen-confirmation](http://www.stjosephsupland.org/teen-confirmation) each week.

**(The first Sunday of the Month is our Youth Mass and it is required to attend starting October 6th at 5pm.)**

-----  
**Rules of Confirmation**

**Phones, air pods, headphone or any other electronic device are prohibited inside the classroom.** If we find a youth with one, we will remove it and we will call their parents to pick it up. Finally, if a confirmation student misses more than **3 Classes**, then the Confirmation Candidate may have to repeat the year. Also, if more than 3 Parent meetings are missed, than the year may need to be repeated.
